**To be held at
Woodrow Methodist Church
(1075 Woodrow Road SI, NY 10312)**

This annual service of gratitude to God began in 1983 and has continued every November for 36 years.

Start the Holiday Season with peace and the beautiful meditative “liquid prayer” music of Gera’s flute.

God was there for the first pilgrims when they landed in the America and He continues to protect our great country today.

Come, bring a friend, light candles, reflect on all you have to be grateful for. Let your light shine.

Refreshments following service in Church Hall.
